

# For qualified plan and 403(b) contracts Systematic withdrawal program

## Important information

**For use with the following lines of business:** 403(b) contracts, 403(a) annuity plans, Keogh, 401(k), money purchase, profit-sharing, defined benefit, defined contribution and 457(b) governmental plans.

Use this form to enroll in the systematic withdrawal program for any fixed or variable product. This form should not be used for required minimum distributions (form 130714), pre-59½ systematic withdrawal program (form 130717), or if your contract has a rider and you are requesting the annual allowable amount (form 1307169-Q).

### Program considerations

- We will make payment only to the contract owner. For example, if the contract is held in a plan, we will pay the plan.
- Taking withdrawals from some of our products may adversely affect the underlying guarantees. If you have questions or need additional information please consult your contract and/or prospectus, call us at 1-800-344-1029 to speak with a customer service representative, or contact your financial representative.
- Participation in more than one special program may conflict with the intended result. Please inform the Customer Service Center of any changes to existing dollar cost averaging, rebalancing or automated investment programs, if applicable.
- If you elect the interest-only option, the withdrawal amount could fluctuate depending on the current market value of a variable annuity contract, or upon changes in interest rates for fixed annuity contracts. Your withdrawal amount can also be affected by the number of days in the month, or if you take any additional withdrawals from your contract.
- This form cannot be used to process transfers, rollovers or exchanges to another institution, or to request a withdrawal under a Nursing Home or Critical Illness Waiver.
- Amounts withdrawn over your allotted free withdrawal amount may be subject to withdrawal charges. Also, certain annuities may assess a market value adjustment against your withdrawal amount.
- Available interest withdrawals may be greater than your free withdrawal amount and may be subject to surrender penalties.
- Withdrawals are subject to income tax.

**Please review your contract and/or prospectus for further details regarding the impact of withdrawals.**

### A Medallion Signature Guarantee (MSG) is required when:

- Electronic fund transfer (EFT) is selected as the payment delivery method and you do not currently have an MSG for the EFT account on file.
- A signed application or confirmation application is not on file.
- A withdrawal check will be mailed to an address that is not the address on file.
- There was a change of the address on file within the last 15 days.
- The withdrawal request is for the amount of \$250,000 or more.

**MSGs** are used as an added security measure for your contract and may be obtained at most banks, financial institutions or credit unions. The MSG we receive must be an original; facsimiles or photocopies will not be accepted.

### Spousal consent

For certain 403(b) contracts and contracts held by individual owners, the owner's spouse must provide notarized consent to any request for a withdrawal. A request is not in good order without the spouse's consent, and we cannot process a withdrawal until we receive that consent. Please see section 8 for more information.

- Send all available interest since inception in your first payment.
- Send the interest plus payment enhancement in your first payment. This option is only available for JH Spectrum contracts. Your first distribution includes the entire payment enhancement.

Furthermore, if you elected the Guaranteed Minimum Withdrawal Benefit Rider (not available on all products), withdrawals will be in accordance with our default procedures; you may not specify the investment option from which a withdrawal is to be made. If you withdraw more than the guaranteed withdrawal amount in any contract year, the guaranteed withdrawal benefit will automatically reset. Please review your contract and/or prospectus for more detailed information.

**4. Federal income tax withholding****For 403(b) contracts and contracts held by individual owners**

Eligible rollover distributions: The withdrawals payable under the program are eligible rollover distributions. Federal law requires that we withhold 20% from the taxable portion of the distribution. We do not have to withhold on an eligible rollover distribution if you instruct us to process a direct rollover to an IRA or other eligible retirement plan. Please read the enclosed Special tax notice for annuitants.

 **I choose not to do a direct rollover.**

I have read the Special tax notice for annuitants and I understand that 20% will be withheld from the taxable portion of my eligible rollover distribution. I waive the 30-day waiting period.

 **I instruct you to roll my eligible rollover distribution directly to an IRA or other eligible retirement plan with:**

\_\_\_\_\_

I have read the Special tax notice for annuitants. I have enclosed the required forms to process the rollover. I waive the 30-day waiting period.

**Note:** If you wish to complete a direct rollover, you must provide John Hancock with the proper paperwork from the financial institution that holds your IRA or from the other eligible retirement plan.

**5. State income tax withholding****For 403(b) contracts and contracts held by individual owners**

State income tax withholding may also apply to the taxable portion of any withdrawals you elect **not** to roll over directly to an IRA or other eligible retirement plan. The applicable state withholding rules are outlined below. If you reside in a state that gives you withholding options, you must provide the information or forms requested below. If you do not, we will apply state withholding based on your state's default rules. If your state allows you to make a withholding election, the election you make will remain in effect until you notify us to change it. Please note that state income tax applies even if the state allows you to elect out of withholding.

**The following states require state tax withholding whenever federal taxes are withheld.** We will apply the state's default withholding rate to the taxable portion of your distribution if you reside in: Arkansas, Iowa, Kansas, Maine, Maryland, Massachusetts, Nebraska, North Carolina, Oklahoma, Vermont, or Virginia. You may not elect out of state withholding.

- **If you reside in California, Georgia, Indiana, Missouri, Montana, New Jersey, New Mexico, or Wisconsin,** you may elect in or out of state withholding. If you elect to have state tax withheld, you must specify a whole dollar amount of at least \$10 to withhold. We will withhold that amount from each withdrawal. We will not withhold state tax unless you enter an amount below.
  - Please **do not** withhold state income tax.  Please withhold \$ \_\_\_\_\_ (whole dollar amount of at least \$10).
- **If you are an individual residing in Connecticut,** state income tax withholding applies to your withdrawals, and you must provide a completed Connecticut Form CT-W4P. If you do not provide a properly completed Form CT-W4P, we must withhold 6.99% on any withdrawals. The Connecticut form is available on the Forms tab of our website at [www.jhannuities.com](http://www.jhannuities.com).
- **If you reside in the District of Columbia,** withholding is required only if the withdrawal results in the full surrender of your contract.
- **If you reside in Michigan,** state tax withholding requirements depend on your age and the amount of the withdrawal(s); please provide a completed Michigan Form MI W-4P to claim any exemptions. The Michigan form is available on the Forms tab of our website at [www.jhannuities.com](http://www.jhannuities.com).
- **If you reside in Oregon,** you may elect to have state tax withheld or not to have state tax withheld. If you elect to have state income tax withheld we will apply the state's default withholding rate.
  - Please **do not** withhold state income tax.  Please withhold state income tax.
- **If you reside in Puerto Rico,** we are generally required to withhold 10%.
- **If you reside in Alaska, Arizona, Florida, Hawaii, Kentucky, Mississippi, Nevada, New Hampshire, New York, Ohio, Pennsylvania, Rhode Island, South Dakota, Tennessee, Texas, Washington, or Wyoming,** either your state has no applicable income tax or the state has no provision for withholding on withdrawals from a qualified plan or contract. Therefore, we cannot withhold state tax.
- **If you reside in a state not listed above,** state tax withholding is completely voluntary. If you would like state taxes withheld, please provide a whole dollar amount of at least \$10 or a percentage to be withheld. We will withhold the requested dollar amount or percentage from each withdrawal.

Please withhold \$ \_\_\_\_\_ or \_\_\_\_\_ % for state income tax.

**Withholding for non-U.S. persons – If you are not a U.S. person, the above federal and state withholding rules do not apply.**

Instead, we are required to withhold 30% of the taxable portion of your distribution, unless your tax residence is in a country which has a tax treaty with the United States and that treaty provides an applicable exemption or reduced withholding rate. To claim the benefit of a tax treaty, you must provide a properly completed IRS Form W-8, which must include the foreign Tax Identifying Number issued by your country of tax residence or an explanation of why you do not have one. If you do not have a foreign Tax Identifying Number, you must include a U.S. Taxpayer Identification Number (TIN) on the W-8 to claim treaty benefits. If you do not have a U.S. TIN, you may apply for one by submitting Form W-7 to the IRS. IRS Forms W-7 and W-8 and their instructions are available on the IRS website at [www.irs.gov](http://www.irs.gov).

I agree to direct my joint account owners, executor, administrators, or assignees to refund to John Hancock any payments that are made following my death so that they may be redistributed to my beneficiary(ies) or contingent annuitant(s), if applicable. I agree to hold John Hancock harmless for any failure by my financial institution to credit my account or for any delay by my financial institution in crediting funds to my account

If I am entitled to any benefit from the applicable annuity contract as a beneficiary or contingent annuitant of the contract owner, the amount of my liabilities may be deducted from the amount payable to me.

**By signing this form, I am providing written permission for John Hancock Life Insurance Company (U.S.A.) to obtain a consumer report about me as part of its process to authenticate my identity and to protect against fraud. This consumer report will be used solely to validate that I am an authorized holder, user or signatory of the account used or to be used in connection with the current or future transfer of funds. **8. Spouse consent**

**Spousal consent for certain 403(b) contracts and contracts held by individual owners**

If you are married, federal law requires that your spouse provide notarized consent not more than 90 days prior to the date the first payment is made under the systematic withdrawal program. This requirement does not apply to non-ERISA 403(b) contracts.

John Hancock will review standard contract information such as beneficiaries, co-annuitants, and covered persons under certain riders to determine if there is a spouse listed on the contract that would need to provide consent on this request. If this section is left blank and there is reason to believe a spousal consent signature is required based on standard contract information, this request will not be considered in good order and will not be processed. In that case, you will need either to resubmit your request with the missing signature or provide us with confirmation that there is no spouse to sign the request.

I am the spouse of the above-named contract owner. I acknowledge that, in accordance with federal law, I have a right to receive either a preretirement survivor annuity, if my spouse should die before the otherwise applicable retirement date, or a joint and survivor annuity payment option when my spouse retires, either of which survivor annuity must be at least 50% of the annuity payable to my spouse. I have reviewed the request to participate in the systematic withdrawal program. By signing this form, I acknowledge and consent to the distribution of the withdrawals elected on this form. I understand that requested withdrawals may affect the amount available for a preretirement survivor annuity benefit or a joint and survivor annuity benefit under the contract. I also consent to my spouse's waiver of the 30-day waiting period in section 4.
