

Third party authorization

Important information

Use this form to authorize another person or entity, called a "third party," to receive documents and information related to your individual annuity contract or certificate under a group annuity contract with John Hancock Life Insurance Company (U.S.A.) or John Hancock Life Insurance Company of New York (together, "John Hancock"). This form is not a power of attorney and does not authorize the third party to conduct withdrawals or other transactions. If you own or participate in more than one contract, insert all applicable numbers in section 1. Additionally, if your contract has a joint owner or joint participant, their information must be included in section 1 and they must sign in section 4.

All signatures must be notarized or accompanied by a Medallion Signature Guarantee (MSG). MSGs are used as an added security measure for your contract and may be obtained at most banks, financial institutions, or credit unions. The MSG must be original; facsimiles will not be accepted.

Forms with cross outs, white outs, marginal notations, or other changes or additions will not be accepted.
