

Change of owner and/or beneficiary

Before you begin

If you are **only making beneficiary changes**, you can also complete your request **online**.

- Visit the forms page at johnhancock.com/annuities.
- Find the Change of beneficiary form.
- Click the link to submit online and follow the step-by-step instructions.

Note: Ownership changes cannot be completed online.

Important information

Use this form to make owner and/or beneficiary changes to a John Hancock variable or fixed annuity contract. No change will be effective unless it is received and acknowledged by our annuity service office in writing. If you do not receive an acknowledgment within 15 calendar days from submission of this form, contact us at 800-344-1029 to ensure your request was received.

- **For owner changes:** You must complete the entire form. Section 2 is optional.
- For beneficiary changes only: You do not need to complete section 3. Section 2 is optional.

Instructions for completing this form

Section 1: Contract information

Complete all information requested for the owner and co-owner (if applicable).

Section 2: Text message consent

Complete this section if you wish to receive text message updates on the status of your request.

Section 3: Owner change (absolute assignment)

Please note an owner change (including addition or removal of a joint owner):

- is an absolute assignment of the contract and can cause you to owe tax on the contract gain. Consult with your own tax professional before making an owner change. In general, John Hancock must report taxable owner changes to the IRS.
- will revoke the interest of any revocable beneficiary. Therefore the new owner must update the beneficiary in section 4 of this form, otherwise the beneficiary will be the new owner, if living, or the new owner's estate. If no beneficiary is designated and the new owner is a non-natural person such as a trust, the beneficiary will be the non-natural person or trust.
- may result in the loss of guarantees and benefits under the contract and certain riders. Please carefully read the contract and prospectus to determine the impact of any change before submitting this form. You or your financial professional may call us at 800-344-1029 with any related questions.

If the owner is changed to a trust or other entity, the new owner must also complete our Certificate for trust or entity ownership form (130797) and submit it with this form. Both forms must be completed before we will process an owner change.

Section 4: Beneficiary designations (required)

Complete this section with your designated beneficiary information. Please note the following:

- **No complex beneficiaries:** John Hancock cannot accept complex or conditional beneficiary designations. By signing section 5, you authorize us to interpret the beneficiary designations on this form in order to resolve any ambiguities, inconsistencies or omissions.
- Loss of benefits and guarantees: A beneficiary change may result in the loss of guarantees and benefits under certain riders. Please read the contract and prospectus to determine the impact of any change before submitting this form. You or your financial professional may call us at 800-344-1029 with any related questions.
- Trusts and qualified plans: If you designate a trust as beneficiary, the death benefit will be payable to the trust and not to individual beneficiaries named in the trust. In addition, contracts owned within certain tax-qualified plans require that the plan be the beneficiary.
- Minor child beneficiary: You may name an adult custodian to receive the death benefit for a minor child. Your instructions must include the first and last names of the custodian and child, along with references to the Uniform Transfers to Minors Act (UTMA) and the governing U.S. state or territory. For example: John Doe, custodian for Jimmy Doe, New York UTMA.
- Entities or non-natural persons: You may designate as a beneficiary a non-natural person such as a trust or charitable organization. If after your death John Hancock is provided with satisfactory proof that any such beneficiary is not then in existence, no portion of the death benefit will be allocated to it, and its share of the death benefit will be reapportioned to any surviving beneficiaries.
- **Priority of payment:** A primary beneficiary is the person entitled to the death benefit upon the death of the contract owner (or in certain circumstances, the annuitant). A contingent beneficiary is not entitled to the death benefit unless all primary beneficiaries die before the contract owner. If no primary or contingent beneficiary is living upon the death of the contract owner, then the death benefit is payable to the contract owner's estate.

Message and data rates may apply. I confirm that I am the owner and authorized user of the mobile phone number provided on this form and I agree to notify John Hancock immediately if I change or obtain a new phone number, or no longer maintain the phone number provided. 4. Beneficiary designations (required)

Please list your primary and/or contingent beneficiary(ies) below.

Percentages for all beneficiaries named in each category (primary and contingent) **must total one-hundred percent (100%)**. Designations given in dollar amounts, fractions, or with more than two decimal places (e.g., 33.333%) will not be accepted. If percentages are not provided, beneficiaries in the same category will share equally in any death benefit payable to them. If the beneficiaries are unable to be shared equally (e.g., ½), we will designate the extra rounded percentile to the first listed beneficiary in each class (e.g., 33.34%, 33.33%, 33.33%).
