

Investment Option Change Venture® Product Series

Introduction

Instructions

Use this form to make investment option transfers.

- Use this form to make investment option transfers within your **Venture contract**.
- A separate form must be completed for requests on any additional contracts.
- Please review your variable annuity contract for detailed information regarding trade restrictions and limitations.
- If you elected to have telephone transfer authorization on your annuity, you may call us to process this transaction.
- Changes in your current or future investment allocation may conflict with the intended results of any special programs (i.e. Dollar Cost Averaging, Rebalancing, Systematic Withdrawal, etc.).
- Annuitized policies can only be invested in 4 funds at the most.
- Some products do not allow fixed funds to be included in reallocations. Please see your prospectus for fixed investment option rules.
