INSTRUCTIONS

Use this form to request either a full surrender or a partial withdrawal from your nonqualified or IRA annuity contract. Please use form number 130701 if your annuity is a section 403(b) contract, or if it is held as part of a qualified retirement plan under section 401, an annuity plan under section 403(a), or an eligible deferred compensation plan under section 457(b). (All section references are to the Internal Revenue Code.)

IMPORTANT: Please review your prospectus and/or contract/certificate with your financial representative for further details regarding the impact of withdrawals.

Please note taking withdrawals from some of our products may adversely affect the underlying guarantees. Withdrawals also have tax consequences.

- Withdrawals from a variable annuity product with a Guaranteed Minimum Withdrawal Benefit may reduce that benefit.
 - For AnnuityNote products, any unscheduled withdrawal may reduce or eliminate the Lifetime Income Amount.
 - For other variable annuity products, the Lifetime Income Amount may be reset or eliminated for any withdrawals taken prior to the Lifetime Income Date, or for a withdrawal taken after the Lifetime Income Date that, together with other withdrawals and their applicable charges, exceeds the Lifetime Income Amount.
- Amounts Withdrawn over your free withdrawal amount (including interest) may be subject to withdrawal charges. Certain annuity contracts with Guaranteed Rate Period accounts may assess a Market Value Adjustment to your withdrawal amount.
- Amounts withdrawn from your contract cannot be reinstated.

Also included with this Withdrawal Request Form is an IRS Form W-9 Request for Taxpayer Identification Number and Certification. **As part of the Withdrawal Request process, each owner must provide us with a properly completed and signed Form W-9.** Please refer to the instructions on Form W-9 for how to properly complete the form. An owner who is not a U.S. citizen, U.S. resident alien or other U.S. person should not complete Form W-9. Instead, please complete the version of IRS Form W-8 that applies to you. You can obtain the various versions of Form W-8 from the IRS website at www.irs.gov.

Some additional requirements may apply to certain withdrawals:

If you request a direct transfer from your IRA, you must provide a signed "Letter of Acceptance" from the other financial institution. For a 1035 exchange of a non-qualified annuity, the other insurance company must submit the appropriate paperwork, signed by an authorized person, documenting that the withdrawal is part of a 1035 exchange.

A Medallion Signature Guarantee (MSG) is required when:

- Electronic fund transfer (EFT) or wire is selected as the payment delivery method and you do not currently have an MSG for the financial institution account on file.
- A signed application or confirmation application is not on file.
- A withdrawal check will be mailed to an address that is not the address on file.
- There was a change of the address on file within the last 30 days.
- The withdrawal request is for the amount of \$250,000 or more.

MSGs are used as an added security measure for your contract and may be obtained at most banks, financial institutions or credit unions. The MSG we receive must be an original; facsimiles or photocopies will not be accepted.

IMPORTANT TAX INFORMATION:

- The taxable portion of a full or partial withdrawal is considered ordinary income for tax purposes.
- John Hancock must report to the IRS all taxable withdrawals that exceed \$10.
- Withdrawals taken before you reach age 59½ may incur an additional 10% early distribution penalty tax under section 72 of the Internal Revenue Code. If the contract is a SIMPLE IRA, the penalty tax is 25% for withdrawals taken during the first two years of your participation in the SIMPLE IRA.
- Please note that if you are already taking withdrawals from your contract in a series of substantially equal payments in order to avoid the additional 10% early distribution penalty tax, any unscheduled withdrawal will be considered a modification of that series. As a result, the 10% penalty tax will apply to all previous and possibly subsequent withdrawals. Please consult your own tax professional for additional information.

For IRAs

If you take a cash withdrawal from your IRA and plan to do a rollover to another IRA (an "indirect" rollover), please note the following limitations:

- You must complete an indirect rollover within 60 days of receiving the withdrawal in order to avoid tax on the amount distributed.
- Unless we have a properly completed and signed Form W-9 from you, we will withhold 10% income tax from the distribution. To complete an indirect rollover of the entire amount withdrawn, you will have to use other funds to make up for the 10% withheld. You can claim the amount withheld when you file your income tax return.
- Beginning January 1, 2015, federal tax law will permit only one indirect IRA rollover during any 12-month period. This limit will apply to all IRAs the taxpayer owns, including Roth IRAs. If the owner attempts an additional indirect rollover during that period, the transaction will be taxed as a distribution from one IRA and could also be subject to penalty as an excess contribution to the recipient IRA. It is your responsibility to make sure that you do not exceed the limit on indirect rollovers. You can avoid the 12-month limit and the risk of tax by requesting a direct transfer from your IRA to another IRA.
- Required Minimum Distributions are not eligible to be rolled over.
- The limit on indirect rollovers does not apply to a conversion from a traditional IRA to a Roth IRA.

Partial Exchanges of Non-Qualified Annuities

In Revenue Procedure 2011-38, the IRS announced that it would apply general tax principles to determine the treatment of a withdrawal from an annuity contract that had previously sent or received funds as part of a partial section 1035 exchange. If the withdrawal occurs within 180 days of that exchange, the IRS might treat the withdrawal as taxable only to the extent of the gain in the particular contract from which the withdrawal was taken. However, the IRS could instead determine that the withdrawal was an integrated part of the 1035 exchange and taxable to the extent of all the gain accumulated in the original contract at the time of the exchange. Please consult a tax advisor if you plan to take a withdrawal after a partial 1035 exchange.

ADDITIONAL INFORMATION FOR:

Section 2: Withdrawal Instructions

Withdrawals will be taken in accordance with our default procedures; please refer to your contract or prospectus for more information. Unless otherwise specified, all withdrawals will be prorated and taken from variable sub-accounts until exhausted, then from fixed subaccounts. Free Amount requests must be prorated (please note this does not apply to all contracts).

Section 3: Income Tax Withholding

U.S. Persons: John Hancock is required to withhold federal taxes (and state taxes where applicable) from any taxable withdrawal, unless you elect otherwise. You must complete Section 3 and provide the requested information to make a withholding election. Non-U.S. Persons: Income distributed to a non-U.S. person is generally subject to U.S. tax and withholding at a 30% rate, unless the person can claim the benefit of a tax treaty. See Section 3 for more information.

If the state tax withholding requested is less than the state requires, John Hancock will default to the state's required minimum.

The information above is not exhaustive, is not intended as tax advice, and does not address state or local tax consequences. Before you request a withdrawal, you should consult a qualified tax professional with regard to your specific circumstances.

You must also provide a properly completed and signed IRS Form W-9. If you elect not to have income tax withheld from your withdrawal, or you do not have enough income tax withheld, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient.

DO NOT withhold federal income tax (You MUST also submit or have an IRS Form W-9 on file with us.)

Note for Indirect Rollovers: Default withholding taxes will apply unless you follow the above instructions.

Withhold \$ _____ or _____ % of federal income tax.

The dollar amount or percent must equal at least 10% of the taxable portion of your withdrawal. If the amount requested is less than 10% of the taxable portion of your distribution, John Hancock will default to 10%

IMPORTANT:
When an annuity is held by a trust, we will withhold taxes unless the trustee signs a Form W-9 which includes the trust's information.

3b. State Income Tax Withholding

State income tax withholding may also apply to the taxable portion of your distribution. The applicable state withholding rules are outlined below. Please note that state income tax applies even if the state allows you to elect out of withholding.

- **If you reside in Iowa, Kansas, Maine, Massachusetts, Nebraska, Oklahoma, or Virginia***, state income tax withholding is required whenever federal income taxes are withheld. We will apply the state's default withholding rate to the taxable portion of your distribution. You cannot elect out of state withholding when federal tax is withheld.
 - * **If you reside in Virginia** and you elect out of federal withholding, you are not subject to state withholding. However, state income tax will still apply. Virginia does not permit state withholding on any distribution from an IRA. If your contract is a 403(b) or other qualified contract, you may request that we withhold Virginia income tax from your withdrawal by providing us with a completed Form VA-4P.
- **If you reside in Arkansas**, state withholding is required when federal taxes are withheld. We will apply the Arkansas default withholding rate to the taxable portion of your distribution. However, you can elect out of Arkansas state withholding by providing us with a complete Form AR4P.
- **If you reside in the District of Columbia**, withholding is required if the distribution results in a full surrender of your contract. We must withhold using the District's highest income tax rate.
- **If you reside in Vermont**, state withholding will apply whenever federal tax is withheld, unless you instruct us otherwise.
 - Please DO NOT withhold Vermont taxes.
- **If you reside in Michigan**, state tax withholding requirements depend on your age and the amount of the distribution. Please provide a completed Michigan Form W-4P to claim any exemptions.
- **If you reside in North Carolina or Oregon**, you may elect to have state tax withheld or not to have state tax withheld. If you elect to have state income tax withheld we will apply the state's default withholding rate.
 - Please DO NOT withhold state income taxes. Please withhold state income tax at the default rate determined by my state.
- **If you are an individual residing in Connecticut**, state income tax withholding on any full surrender is a mandatory 6.99%. Withholding is also required for any partial distributions, and you must provide a completed Connecticut Form CT-W4P. If you do not provide a properly completed Form CT-W4P, we must withhold 6.99% on any partial distribution. The Connecticut form is available on the Forms tab of our website at www.jhannuities.com.
- **If you reside in California, Georgia, Indiana, Maryland, Missouri, Montana, New Jersey, or New Mexico**, you may elect in or out of state withholding. If you elect to have state tax withheld, you must specify a whole dollar amount of at least \$10 to withhold. We will not withhold state tax unless you enter an amount below.
 - Please DO NOT withhold state income taxes. Please withhold: _____ (Whole Dollar amount of at least \$10)
- **If you reside in Wisconsin**, you may elect to have state tax withheld. If you elect to have state tax withheld, you must specify a whole dollar amount of at least \$10. We will not withhold Wisconsin tax unless you enter an amount below. You may not elect to have state tax withheld on a withdrawal from a non-qualified annuity contract.
 - Please DO NOT withhold state income taxes. Please withhold: _____ (Whole Dollar amount of at least \$10)
- **If you reside in Alaska, Arizona, Florida, Hawaii, Kentucky, Mississippi, Nevada, New Hampshire, New York, Ohio, Pennsylvania, Rhode Island, South Dakota, Tennessee, Texas, Washington, or Wyoming**, either your state has no applicable income tax or the state has no provision for withholding on withdrawals from a qualified plan or contract. Therefore, we cannot withhold state tax.
- **If you reside in a state not listed above, state tax withholding is completely voluntary. If you would like state taxes withheld, please provide a whole dollar amount of at least \$10 or a percentage to be withheld:**
 - Please withhold \$ _____ or % _____ for state income tax.

Withholding for Non-U.S. Persons - If you are not a U.S. person, the above federal and state withholding rules do not apply. Instead, we are required to withhold 30% of the taxable portion of your distribution, unless your tax residence is in a country which has a tax treaty with the United States and that treaty provides an applicable exemption or reduced withholding rate. To claim the benefit of a tax treaty, you must provide a properly completed IRS Form W-8, which must include the foreign Tax Identifying Number issued by your country of tax residence or an explanation of why you do not have one. If you do not have a foreign Tax Identifying Number, you must include a U.S. Taxpayer Identification Number (TIN) on the Form W-8 to claim treaty benefits. If you do not have a U.S. TIN, you may apply for one by submitting Form W-7 to the IRS. IRS Forms W-7 and W-8 and their instructions are available on the IRS website at www.irs.gov.

EFT Authorization

Contact Owner Authorization

I hereby authorize John Hancock Life Insurance Company (U.S.A.) ("John Hancock") to deposit annuity payments directly to my bank, savings and loan, or credit union ("financial institution") account, as indicated above. I authorize the financial institution identified above to accept such credit entries from John Hancock, and to credit my account at that financial institution in accordance with those credit entries. If an amount should be credited to my account in error (including any overpayment to my account), or after my death or ineligibility, I authorize and direct the financial institution designated on this form to debit my account and refund such amount to John Hancock. I agree to hold John Hancock harmless for any failure by my financial institution to credit my account or for any delay by my financial institution in crediting funds to my account.

I agree that this arrangement is made for my convenience, and that any payments directly received by me, rather than credited to my bank account, as a result of mistake or otherwise, shall not subject John Hancock to any liability in excess of that owed to me under the applicable annuity contract. Issuer: John Hancock Life Insurance Company (U.S.A.), Lansing, MI (not licensed in New York)
Issuer in NY: John Hancock Life Insurance Company of New York, Valhalla, NY

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.

You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions.

You must sign the certification. You may cross out item 2 of the certification.

4. Other payments.

You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.

You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.
